

Vehicular Information Display & Interface Applications

Displays • Gauges • Sensors • Scanners

Abrisa Technologies offers hard-to-find expertise in volume manufacturing for both fabricated glass and optical coatings to support your Infotainment and HUD Augmented Reality Displays and Enhanced Vision System needs. Our engineers are ready to provide you with Total Solutions made from our vast on-hand inventory of “technology” and float glass, complete with custom features and edge fabrication, strengthening, graphics, coating and oleophobic to best meet your performance, budget and volume needs.

Infotainment Displays, Gauges

- Sunlight Readable AR/NG Glass
- Anti (Fog, Smudge, Scratch, Damage)
- Graphics - Deadfront, IR, PMS Match

Touch Input & HMI Devices

- Thin, Bendable “Technology” Glass
- Optical Coatings, Anti-Smudge
- Damage & Scratch Resistance

Autonomous Driver LIDAR Scanner/Sensors

- Optical Components 904nm/1550nm
- Opaque/Aesthetic Films & Coatings
- HIE™ Aluminosilicate “Technology” Glass
- Micro & Macro Size Formats

Heads-Up Displays

- Wide Angle Scan Mirrors, Windows
- Cut-to-Order & Custom
- Dichroics, Beam Splitters, Filters, Cold Mirrors

Driver Assist Optical Sensors

- Wide Angle Low Loss Sensor Windows
- Coated Glass & Silicon Wafers
- Glass Wafer Generation & Dicing

Technology Glass & More

- AGC Dragontrail™, Corning® Gorilla® Glass, SCHOTT Xensation™
- SCHOTT AS 87, SCHOTT Borofloat®, Corning® Eagle® XG, AGC EN-A1
- Standard, Low Iron, & Non-Glare + AR Soda Lime Float Glass

Glass Fabrication

Coating Deposition

CNC Machining

Strengthening - Chemical & Heat

Screen Printing of Graphics

Abrisa Technologies is a recognized global supplier of high quality, fabricated glass components, optical thin film coatings, and custom glass solutions for a wide variety of industries.

US based, Abrisa Industrial Glass fabrication facility in Santa Paula, CA and ZC&R Coatings for Optics facility in Torrance, CA serve diverse industries such as microelectronics and displays, semiconductor, military, automotive, aerospace, medical, biomedical and scientific R&D.

We provide custom specialty flat glass and coating products for applications such as: flat panel display, touch and gesture recognition; visible to IR imaging and surveillance; entertainment, indoor and outdoor lighting; advanced instrumentation; and photonics.

Abrisa Industrial Glass
200 South Hallock Drive
Santa Paula, CA 93060

ZC&R Coatings for Optics
1401 Abalone Avenue
Torrance, CA 90501
